GEOGRAPHY 7

STUDY GUIDE 2-C

NEW YORK, PENNSYLVANIA, AND NEW JERSEY

On the Addison political map of the UNITED STATES:

Identify the following Middle Atlantic states by printing the 2-letter postal abbreviation (always capital letters) in each state:

NY – New York

PA – Pennsylvania

NJ – New Jersey

Capitals:

Check your atlas and name the capital of each Middle Atlantic state below:

_____, NY

_____, PA

_____, NJ

On the FRONT of the Nystrom map of the CENTRAL ATLANTIC STATES:

Carefully outline these New England states, identifying each with its postal abbreviation:

Yellow – Vermont (VT)

Purple – New Hampshire (NH)

Orange – Massachusetts (MA)

Red – Connecticut (CT)

Yellow – Rhode Island (RI)

Now, referring to pp.82-83 of your atlas, carefully outline the following Middle Atlantic states and label each with its postal abbreviation:

Green – New York (NY) (*both parts!*)

Purple – Pennsylvania (PA)

Orange – New Jersey (NJ)

On the BACK of the Nystrom map of the CENTRAL ATLANTIC STATES:

Identify these features in pencil:

Atlantic Ocean

45° North

Long Island

Lake Champlain

Long Island Sound

Lake Ontario

Cape May (in NJ)

St. Lawrence River

Delaware Bay

Lake Erie

Chesapeake Bay

Niagara Falls (*mark it with an X*)

40° North

Finger Lakes (in NY)

Label and carefully trace each river and canal in blue:

Hudson River (in NY)

Niagara River

Allegheny River

Mohawk River (in NY)

Delaware River

Monongahela River

Erie Canal (in NY)

Susquehanna River

Ohio River

□ **Look at the maps on pp.68-83 of your atlas.**

Answer the following questions in your Geography notebook:

1. Which Middle Atlantic state shares a land border with Canada?
2. Which 5 states border New York State?
3. Which 6 states border Pennsylvania?
4. Which 3 states border New Jersey?
5. Which river separates Pennsylvania from New Jersey?
6. Which two parts make up New York State?
7. Which of these states have a coastline on the Atlantic Ocean?
8. Which state has a shoreline on Lake Ontario?
9. Which of these states have shorelines on Lake Erie?
10. How does water from Lakes Erie and Ontario reach the Atlantic Ocean?
11. Which canal (in Canada) allows ships to avoid Niagara Falls?
