Math Department Assistance Guidelines

- **Seek help from your regular teacher first**
- **Come with specific questions**
- **Expect to be helped, not taught**
- **You must be doing your homework assignments**
- **You must be paying attention in your regular class**
- **You must be asking questions in your regular class**
- **You must be trying your hardest in your regular class**

Take responsibility for your own success.

We will help. But it's up to you.

***Math Department Assistance is not a tutoring service. It is designed to help students with a specific need for short periods of time. But we are here for you...so use us!!!
